CQG to Host Technical Analysis Seminar on October 16

Chicago, IL, October 5, 2007 – CQG, Inc. presents Chicago futures traders the opportunity to attend a technical analysis seminar presented by CQG’s technical analyst and author Shaun Downey.

The seminar will provide attendees with a complete guide to technical analysis using CQG’s latest version 7.5 and will also include a preview of Shaun Downey’s new book, Trading Time. The key topics will discuss support and resistance, trailing stops, risk and expectation when a trade is entered, the dominant timeframe for the trend, and micro analysis of the depth-of-market and volume.

The event be held from 3:30 - 6:30 at Lloyd’s Chicago, 1 S. Wacker Drive, and will include food and drinks. To make a reservation, email rsvp@cqg.com or call 312.939.1586.

About Shaun Downey

Shaun Downey began his trading career at the age of 16 with Rudolf Wolff commodity brokers. After seven years, he went to work for Fulton Prebon to trade bonds and then joined Reuters to be part of the design and launch team of the Globex platform. He has spent the last 15 years as a technical analyst at CQG teaching, consulting, and promoting technical analysis around the world while writing daily and weekly commentaries on Foreign Exchange, Bonds, Oil, and Stock Indices spanning 45 markets.
