CQG Declared Best in After Sales Support and Invoicing and Billing

Denver, CO, August 17, 2007 – Results from the recent US Tri-State Trading Technology Study revealed that CQG received the highest customer satisfaction score in after sales support and invoicing and billing.

The July 2007 survey was conducted by UK research firm Kimsey Consulting. CQG was voted best overall in the two categories, outranking competitors Bloomberg and Thomson Financial. The top ranking is the second for CQG in the past two years.

“We strive to set a standard for customer service in the industry,” said Rod Giffen, CQG’s Head of Sales and Support. “Billing and technical support are very important to our customers; it’s great to receive the first place ranking in these areas.”

About CQG

CQG, Inc. is the industry’s highest-performing, most cost-effective solution to integrate market data, technical analysis, and order routing. CQG’s data coverage includes futures, options, fixed income, foreign exchange, and equities worldwide as well as debt securities, reports, and indices.
