symbol,JM	Adjusted continuation.
symbol,JMMC	Adjusted continuation by month.
symbol,AM	Active continuation.
symbol,AMMC	Active continuation by month.

Entering Symbols and Studies with Chart Type

Replace "symbol" with the actual contract symbol. Search for studies by acronym on the Add Study window, and replace "acronym" with the actual study acronym, such as symbol\RSI.

Shortcut	Action
symbol\acronym	Add a study to the chart.

Entering Symbols with Chart Type

Replace "symbol" with the actual contract symbol.

Shortcut	Action
symbol\BAR	Open a bar chart.
symbol\CVB	Open a CVB chart.
symbol\CNDL	Open a candlestick chart.
symbol\LINE	Open a line chart.
symbol\TFLOW	Open a TFlow® chart.

Entering Symbols with Intervals

Replace "symbol" with the actual contract symbol.

Shortcut	Action
symbol,1	Open a 1-min chart.
symbol,5	Open a 5-min chart.
symbol,10	Open a 10-min chart.
symbol,15	Open a 15-min chart.
symbol,60	Open a 60-min chart.
symbol,D	Open a daily chart.
symbol,W	Open a weekly chart.
symbol,M	Open a monthly chart.
symbol,Q	Open a quarterly chart.
symbol,S	Open a semiannual chart.
symbol,A or Y	Open an annual chart.
symbol,WW	Open a weekly historical chart for a single contract, i.e. with no continuation.
symbol,MM	Open a monthly historical chart for a single contract, i.e. with no continuation.
symbol,QQ	Open a quarterly historical chart for a single contract, i.e. with no continuation.

Entering Symbols

Wildcards allow you to automatically chart the most active, spot, or second month for a contract. Replace "symbol" with the actual contract symbol.

Shortcut	Action
symbol?	Open the most active month.
symbol?1	Open the spot month.
symbol?2	Open the second month out.
