Ultimate Squawk for Traders

Sick of being the last to know what moves the market? Not anymore. RANSquawk is a voice-delivered market analysis, news, commentary and alert service tailored to the needs of traders. The market leading squawk service delivers breaking news and rumour as they happen, alongside coverage of all the day's scheduled economic data, central bank speakers, and any anticipated market moving event. RANSquawk covers bond, STIR and index futures, NYMEX crude, gold, and the major currency pairs. RANSquawk has three separate channels - bonds, stocks, and FX. To listen to the free delayed version, register at www.ransquawk.com. For further details, contact +44.20.7664.4321.

Instant Messaging in CQG Version 7.5

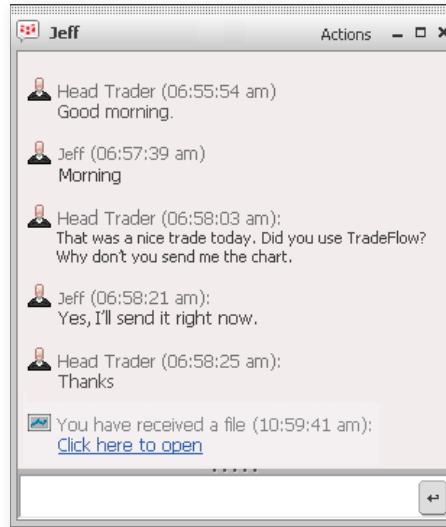

CQG 7.5 brings you Instant Messaging. Now, communicate with other CQG users directly from your CQG Integrated Client.

Setup contacts by groups. Available contacts have a bright icon.

CQG's IM has the following features:

- IM other CQG users
- Live Chat with CQG Customer Support
- Send images to other contacts
- Be alerted when a contact becomes available
- Create groups of contacts
- View contacts by group or by availability
- Broadcast your message to an entire group

Under the Actions menu (top right corner), you can send screen captures of CQG charts.

The CQG IM resides in your system tray at the far right hand bottom of your display. Left-clicking on the icon brings up your Contact List.

Trading and investment carry a high level of risk, and CQG, Inc. does not make any recommendations for buying or selling any financial instruments. We offer educational information on ways to use our sophisticated CQG trading tools, but it is up to our customers and other readers to make their own trading and investment decisions, or to consult with a registered investment advisor.
