CQG and NH Investment & Futures Expand Trading Connectivity

Denver, CO, November 5, 2008 – CQG, Inc. and NH Investment & Futures today announced that they have entered into a global agreement for CQG to provide trading connectivity to the CME Group, ICE US, KRX, NYMEX/COMEX, and SGX exchanges.

This partnership will allow NH Investment & Futures to offer CQG’s professional trading software to clients and traders in the United States, Europe, Australia, and Asia. Customers clearing through NH Investment & Futures will have access to CQG’s leading decision-making tools, accurate consolidated market data, and advanced electronic trading via the CQG Trader and Integrated Client platforms.

“We are very pleased to provide our clients with the Korean futures market via CQG,” said KJ, Head of DMA Sales team, NH Investment & Futures. “The KOSPI 200 futures and options market is one of the most actively traded markets in the world in terms of volume and volatility.”

“We look forward to working with NH Investment & Futures in offering their customers access to CQG’s trading solutions,” said Mike Glista, CQG’s Director of Order Routing.

About NH Investment & Futures

NH Investment & Futures is a leading futures brokerage house in Korea with a strong backend of our shareholder, NH group. NH group is one of the largest banks with over 1,000 branches in Korea. NH Investment & Futures believes that technology is a key strategic factor in developing a successful business and continues to invest in technology infrastructures to meet client requirements including low-latency market access.
