CQG Adds SEB as Clearing Partner

Denver, CO, September 30, 2008 – CQG, Inc., the premier charting, analytics, and trade routing platform for global electronically-traded futures markets, today announced the addition of SEB Futures to its growing list of Futures Commission Merchant (FCM) partners.

CQG has teamed with SEB to connect traders to Euronext, Globex, ICE, and Eurex. Traders who are clearing through SEB have access to CQG's leading market analysis tools, advanced order execution software, and top-ranked service and value.

"SEB Futures is very pleased to become one of CQG's FCM partners," said Paul Dex, Global Head of Sales and Marketing for SEB Futures. "We are looking forward to working with CQG and offering our extensive U.S. and European clearing and order routing services to CQG's customers."

"CQG is excited to have SEB join our list of partner FCMs," said Mike Glista, CQG's Director of Order Routing. "CQG's hosted market data and execution gateways provide great value and performance to our European clearing partners and their clients."

About SEB

SEB is a North European financial group serving some 400,000 corporate customers and institutions and five million private individuals. SEB offers universal banking services in Sweden, Germany and the Baltic countries - Estonia, Latvia and Lithuania. It also has local presence in the other Nordic countries, Poland, Ukraine and Russia and a global presence through its international network in another ten countries. On 30 June 2008, the Group's total assets amounted to SEK 2,304bn (EUR 244 bn) while its assets under management totalled SEK 1,295bn (EUR 137 bn). The Group has about 22,000 employees.
