

Dow Jones Newsires

European Equities Spotlight

Dow Jones European Equities Spotlight brings you the real-time and extensive coverage of European companies that traders need. It also includes all European indicators; European government policy; market comments across all asset classes; central bank decisions and relevant political and general news affecting the region.

European Equities Spotlight

**European Equities Spotlight includes:**

- European Equities Coverage - real-time disclosure and news on companies from around Europe, covering blue-chips right through to mid/small-caps, as well as regular stock market commentaries and index values from every major centre.
- All Benchmark Index Component Companies are put under the spotlight by our specialist reporters.
- Corporate Disclosure News - all press releases are monitored so you get the news you need delivered straight to your screen.
- Data and Earnings Previews - ensure you're ready for the set piece events.
- Mergers and Acquisitions, corporate restructuring and new product announcements.

Market-moving news:

- Complete coverage of the European corporate and government bond markets, including market comments, new issues, ratings and derivatives.
- Extensive coverage of central bank officials.
- Economic indicators, trends and policy changes
- Political events, shifts in political leadership, trade negotiations and legislative news.
- Government regulation and attitudes toward trade and investment.

Real-time Insight into Market Direction:

- DJ Market Talk - continuously updated reports and analysis on what's happening in European equities markets.

DJ Market Talk provides 24-hour real-time rolling commentary triggered by news events, speculation, technical factors and expert forecasts - all in quick to read, quick to absorb, snippet format.
